**Subject:** RE: Reo v Reynaud [Discovery Concerns and pending motion for Protective Order]

I'll wait until 1:00pm EST tomorrow [22 September 2022] as to this discovery issue, noting I originally set a deadline for 4:00pm EST 21 September 2022.

1:00pm is after I return from French class. I will be in French class in the morning and am not going to be in any particular hurry to file what I have to file, but I do have the motion for a protective order ready to go, all I need to do is trim the more corrosive rhetoric out.

If you want to ask me relationship questions about Ludivine or Stefani, I'll discuss my marriage, divorce, etc., but I'm not going to talk about detailed private sexual matters that have no bearing on anything.

Also, since you asked in interrogatories, and I am responding [and will respond under oath], you may be underwhelmed to hear it, but I have never had a romantic partner, intimate partner, dating partner, marital partner, who before, during, or after the relationship, involved the police, prosecutors, etc., obtained or sought to obtain any sort of CPSO or restraining order, other than what Ms. Reynaud did or attempted to do.

Sincerely,

Bryan Reo

I'm putting together a response on everything, it may be tomorrow before your deadline before you get it. For your information, I am not blowing you off, But I've had to deal with things coming to a head in another case today.

Will those discovery requests be withdrawn?

I will discuss any relevant non-privileged details of the Ludivine relationship, and some with Stefani such as they are relevant and non-intrusive, but I am not going to delve into any details as to any other women or dating apps. I will not discuss my sexuality absent a court order.

I would suggest you inquire "have you ever had an issue with an intimate partner that resulted in the involvement of law enforcement or the intimate partner involving the police, prosecutor, victim's advocate, seeking or obtaining a civil protection stalking order, or restraining order" and scrap the enumerated abusive/intrusive requests I identified.

I will answer a question as to whether or not an intimate partner has ever sought police assistance or a restraining order during or after the relationship. Ask and I will answer.
